

Product Specification

Integrated Solar Garden Light **6W**
一体化太阳能庭院灯

Product Name	Integrated solar light
Color	White
Solar panel	10W/18V, high-efficiency mono crystalline silicon solar chip USA Sunpower chip
LED power	6W/12V high brightness, USA Bridgelux chip
Lithium battery	2200MAH*6 high-capacity, high-efficiency Lithium battery
Working time	Working time:8-12H/night, 2-3 rainy days
Product size	430*310*240mm
Installation height	2.5-3.5m

Integrated Solar Garden Light **6W**
一体化太阳能庭院灯

Product Name	Integrated solar light
Color	White
Solar panel	10W/18V, high-efficiency mono crystalline silicon solar chip USA Sunpower chip
LED power	5W/12V high brightness, USA Bridgelux chip
Lithium battery	4AH high-capacity, high-efficiency Lithium battery
Working time	Working time:8-12H/night, 2-3 rainy days
Product size	480*280*55mm
Installation height	2.5-3.5m
